

## **More Than Ever**

More than ever today, Lord,  
I love You.

More than ever today, Lord,  
I need You.

More than ever today, Lord,  
I want to tell You

That I love You more than ever today...

I love You, I love You, I love You...

You are the most beautiful thing, Lord,  
for me...

I love You, I love You, I love You...

And one day I'll see Your face.
