

“AL SONAR LA TROMPETA” (When the Trumpet Sounds)

When the trumpet sounds, many will be shocked

But Jesus Christ is coming to pick up His church...

Many people ask themselves:

Will they be able to go with Christ?

Only he who has repented
will have a place in heaven...

Many want to go to heaven,
But they can't leave The pleasures of this world, sin, and evil...

It doesn't matter if you're rich or if you have positions,
Because if you don't repent, your millions won't save you...

In the world, there are only wars and men seek peace,
But outside of my Christ, they will never find it...
