

Era Una Escalera (It Was a Stairway)

It was a stairway that Jacob saw...
Angels went up and down...
But it was the Glory of God...
That Jacob saw...

It was a bush that Moses saw...
Fire came out of it,
but it wasn't consumed...
But it was the Glory of God...
That Moses saw...

There were four wheels
that Ezequiel saw...
The Living Creatures
and the fire that burned...
But it was the Glory of God...
