

## **Dios Me Hizo Pentecostal (God Made Me Pentecostal)-Choruses**

I will not be ashamed anymore; the Lord is the one who fights for me...  
I will keep moving forward because the Lord is with me like a powerful giant.

We are in victory...even though the devil denies it, we are in victory...  
We are more than conquerors. We have as our captain  
Jesus the King of Glory; He will win the battle.

Fire has fallen from heaven. What do you want me to do to it if it's  
burning?...  
If it's burning...who will put it out?

Because that fire that fell is 120 Pentecost...  
It made me Pentecostal from head to toe...  
God made me Pentecostal...from head to toe...
