

“JEHOVA LE DIJO AL PROFETA” (The Lord Said to the Prophet)

The Lord said to the prophet, these bones will live,
and the prophet responded, You know, Lord.

These bones will live, these bones will live,
These bones will live, You know it, Lord.

The Lord said to the pastor, will this church live,
And the pastor responded, You know, Lord.

This church will live, this church will live,
This church will live, You know it, Lord.

Brother, if you knew what occurred in Damascus,
What occurred, what occurred
It was the Holy Spirit, it was the Holy Spirit,
It was the Holy Spirit, that was poured out on Paul.

Brother, if you knew what occurred in the church,
What occurred, what occurred
It was the Holy Spirit, it was the Holy Spirit,
It was the Holy Spirit, that was poured out on the church.

Brother, if you knew what occurred in my life,
What occurred, what occurred
It was the Holy Spirit, it was the Holy Spirit,
It was the Holy Spirit, that was poured out on my life.
